

Trustteam – Microsoft System Engineer (M/F)

Microsoft System Engineer

About the job

Today, Trustteam Luxembourg is looking for a Microsoft System Engineer.

As an experienced System Engineer, you will be part of the Professional Services department from System Solutions.

Missions carried out by this department covers a wide range of activities like: Project delivery, Consultancy mission, Maintenance, Support & Managed services.

You will

- Implement IT platforms based on the design provided by the Presales team
- Realize migrations of existing production environments
- Perform critical maintenance tasks (On-premise infrastructure, Cloud environment)
- Review and troubleshoot existing Microsoft infrastructure
- Be an escalation point for the Customer Support team in case of complex incidents
- Share your knowledge through hands-on workshop with your colleagues, especially the team in charge of the Customer support
- Work closely with our Application architect in order to give him feedback from past project (lessons learned) and how to improve our design and migration process in the future
- Provide advice on migrations, design processes and audit third parties
- Perform regular technology watch

Your profile

Technical Skills

- You are strongly specialised on the following Microsoft technologies:
- Office 365
- Azure
- Microsoft Operating Systems (Server and Client, all supported versions)
- Microsoft Active Directory
- Microsoft Exchange (all supported versions and builds)
- Microsoft SQL Server (all versions and builds)
- PowerShell or scripting admin tasks is a strong asset

- You have a good knowledge of:
- Microsoft SharePoint
- Microsoft Certifications will be considered as an asset
- You know ITIL principles
- You are passionate about IT solutions and technologies
- You are used to work in a project management framework

Soft Skills

- Reliability and commitment to get the job done is your usual way of working
- You have a high level of interpersonal and communication skills
- You are a team player
- You have good presentation skills
- You speak fluently English and French. Luxembourgish and/or German

Experience

- You have min. a bachelor's degree or an equivalent field's experience
- At least 5 years' experience with Microsoft, preferably by an ICT services provider

We offer

- The possibility to evolve on a permanent basis within a company in expansion, recognized for its professionalism in the quality of the delivered material as well as its first-class services and support to its customers
- A competitive and attractive salary package along with extra-legal advantages. We will also show our appreciation of your contribution with continuous training as well as a creative and enriching work environment
- A professional team with a strong commitment to the company and an excellent team spirit
